Professional Summary

Full-stack developer with practical experience in AI automation and prompt engineering. Skilled in building responsive frontend interfaces with React.js, HTML, CSS, and JavaScript, and backend development with Python and Django. Hands-on experience designing AI workflow automations using n8n, working with prompt design and optimization, and connecting AI models and tools through APIs and webhooks. UI/UX design background supports building clean, user-friendly interfaces alongside functional code.

Technical Skills

- **Languages & Frameworks:** JavaScript, Python, HTML, CSS, React.js, Bootstrap, Tailwind CSS, Django
- **Databases & Tools:** MySQL, Git, GitHub
- **AI & Automation:** Prompt Engineering, Prompt Optimization, AI Workflow Automation, n8n, AI Chatbots, Conversational AI concepts, AI Agents concepts, Google Gemma, API Integration, Webhooks, AI-assisted Development
- **UI/UX Design:** Figma, Wireframing, Prototyping, Responsive Design

Projects

AI Automation & Chatbot Workflow

- Designed AI-powered automation workflows using n8n, including lead management and automated response flows
- Built prompt-based chatbot interactions and structured prompts for consistent AI outputs
- Worked with AI model/tool integrations using webhook and API-based automation
- Explored Google Gemma and AI-assisted development workflows

NovaCart – E-commerce Frontend

- Built a responsive e-commerce frontend using React.js
- Implemented component-based UI architecture for product listings and cart flow

Netflix Clone & Tour/Travel UI

- Developed a responsive Netflix-inspired UI using HTML, CSS, and Bootstrap
- Designed a Tour & Travel interface in Figma with a focus on responsive, user-friendly layouts

JavaScript Calculator

- Built a functional calculator using HTML, CSS, and JavaScript with real-time DOM-based calculations

Work Experience

UI/UX Intern – Syntec Hub Current

- Working on UI design and interface layouts using Figma for digital campaigns
- Creating visual assets and supporting marketing creatives
